Dear Sir,

In reply to your favour of ~~the~~ Jan
28. I shall only be too glad to
send you English Testicles
for Cojion. The past winter
has been bad for collecting
but the spring bids fair to
be good.
Please favour me as

Soon as you can spare the
time, I have asked Mr.

Whitearis to send a parcel
for enclosures but please
do not wait.

Can you spare
any of your papers upon the
Post-pliocene of Canada. I
should be obliged if you
could.

Yrs. Truly.
