Knowlton, 20 Apr 79.

My dear Principal, Thanks for
your telegram duly received the
other day. I have just a mo-
ment, in which to say we got
home last night. I much
wished to have started for
Iowa to-morrow morning, so
as probably to arrive via Acton
about noon. But I find that
simply impossible. I do count
though, on getting off for Ithaca
in the afternoon, so as to reach
Iowa by 10 or so on Tuesday
morning. I am quite alive
to the importance of seeing you
soon after I get in, & of taking
all possible steps in advance
of our Wednesday meeting.
Should you have anything
to suggest to that end, or to
wait for my arrival at Ithaca
on Tuesday morning, I think
would be welcome. What can
I do? Can I get over on
Wednesday to Wednesday? Can I
get over on Tuesday? And ever,
Yours,

Dunbar
