REF. 94

Knowlton, 21 May 1878.

Very sorry, but find myself
under necessity of doing my
duty on Friday at Westborough.
I advise you at noon at Kelown
if myself. Cannot come in for
Saturday to any advantage. But
fully intend doing so Monday
morning. Hope may be able
to go down to Quebec, though not
sure. Have no doubt of being in
town over 3/4 of meeting. But must
leave town either that afternoon
or Monday morning, at 11 o'clock.
