My dear Sir:

I am directed by the "Historical & Scientific Society of Manitoba" to inform you that you have been unanimously elected an "Honorary Member" of that Society. I shall be glad to receive an answer as to your acceptance of this proffered membership of the Society. This is offered on the grounds of your researches in Natural History in the Dominion, and of your interest as a Canadian in the extension of scientific study to the new & undeveloped portions of the Dominion. It affords me great pleasure personally to be the medium of conveying this information regarding membership in the Society, & to beg of your acceptance of it, & your interest in the Society.

I have the honor to be
My dear Sir

Your obedient servant
