

GEOLOGICAL SURVEY OF CANADA

(Museum and Office, 76, St. Gabriel Street) MONTREAL.

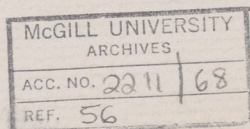

Aug. 1<sup>st</sup> 1879

Dear Sir

The eight negatives  
I took of the pygmy rocks  
are now waiting to be developed.  
I find that Mr. Henderson is  
at Antise - Shall I send  
them on to him, or wait - till  
he comes home?

Yours very truly  
Thos Weston

Dr. Dawson F.R.S. &c

Watson  
Happy
