Dear Sir,

On my return to town, I am in receipt of your favor of 21st inst. & hasten to reply.

We shall be most happy to have you with us during the Christmas vacation or any other time most convenient to yourself, & shall therefore hope to have your name on our course. The most convenient nights for us (so as not to interfere with other meetings would perhaps be Dec. 22, or 29^x but perhaps it would not suit your engagements to spend the Sabbath with us. If not, Dec. 23 or 30^x will suit us very well. Hoping nothing will prevent our anticipated pleasure of a lecture from you, I remain, Yours Respectfully
J. W. Dawson
