

Hi

The undersigned residents at
 and vicinity to Little Meets would
 respectfully invite your attention to the
~~management~~ ^{management} parts of the Station of
 the Hutchinsonian Railway nearest this
 New population making place and use
 also by the inhabitants to a great degree
 of the Eastland. The so called
 St Octave Station which is really
 that for Little Meets is placed
 in a retired position ~~also~~ where there
 is a rule for the place where the
 main way for this place opens
 looking across the line, and
 is covered up by a bad road which
 for the bulk of the ground it occupies
 cannot be made for ^{suitable for carrying} ~~carrying~~ ^{carriage}
 of any expense. The so called
 Meets station which is up on
 a high state on a steep grade is
 really in part of the St Octave
 Church and is useful to the
 vicinity of St Octave and
 of Grand Meets but not
 of those of this place owing to
 its poor location. In an open
 the paper plan of the Station
 is at the road crossing at
 Duchesne between the two
 States also referring to and
 the ^{by} ~~by~~ ^{accept} ~~accept~~ of the main road
 and build ~~of~~ the

Copy of paper
 Aug 1799
 Meets Station

What is - by accept

The cause of the paper of the
plan when the cause has
been a part of the
center - as well as the
paper of the cost per cost
and could cause private
the back of the least shell
of these places.

We would have been
to ask you ^{my office} to the
with a view of a Republic
under the and the October
that comes to the cup
also ~~and~~ ^{measures} to its vicinity.

We may add that we
developed that the people fear
any for the cause of the
in the to prevent the
movement and the opening
of the north there would
all cause still greater
lead to this place and
thus lead the important
camp state men meetings.
