My dear Sir

The Council desires
me specially to convey to
you its earnest hope that
it may be in your power
to send in a paper to be
read at our 1879-80 Session
- it can be sent in before
or after Christmas, a paper
on the origin of man, on
Haeckel's views, or the

VICTORIA INSTITUTE

OR

ZOOLOGICAL SOCIETY OF GREAT BRITAIN,
1, ADELPHI TERRACE, LONDON.

Special ~~Books~~ ^{a subject} or ~~one~~ of
your own choosing would
be most acceptable, and
~~our~~ present arrangements
enable us to give wide
publicity to our papers
so that they are not
for the benefit of our 800
members alone

Yours truly
F. Petre
