

ONTARIO LADIES COLLEGE.

Whitby, Oct. 20th 1879

Prof. Dr. Dawson,

Your kind and thoughtful letter has just reached me. I am doing a little temporary work for my brother - so that real work of any kind is a great blessing. The appointment is a good one considering the hardness of the times and the plenteousness of the labourers. I have written them already - sending certificates, duplicates of German Standing

and reference. I have said in my
letter that I was at present
without any church connection
and was prepared to do my
utmost to represent the
scientific teaching of any
Evangelical Church worthily.

Let me assure you that
the fact that this work comes
through you, if secured, will
make it doubly agreeable
to me.

Most Resp. & Gratefully
Yours,

R. B. Marc.
