Dr Dawson.

My Dear Sir,

I was absent when
your letter came. Either the
4th of Feby or the 4th March
will suit us, and I shall
let you know so soon as
I hear from another gentleman.

We had excellent meetings
at Kingston, and the College
work was the most interesting
topic. Mr Wishard, of Truro-
ton, will be here some time
this winter, and wishes to
meet all students.

Yours
affly
A Brody
