My dear Sir,

Learning that

You are a candidate for  
a college appointment, I  
beg to give you my best  
wishes for your success.

What I know of your  
training in this University  
and abroad, if you  
work as a science teacher,

and Palaeontologist, induces  
me to believe that you  
will prove yourself fully  
competent for the position  
to which you aspire,  
and I hope that  
your career will be  
one of honor and  
eminence, in cultivating  
and teaching the

Scientific subjects to  
which you have  
devoted yourself.

Truly Yours
