

just now by conflicting  
statements & views, and  
too often irrelevant  
issues. I shall  
be thankful to inter-  
change any informa-  
tion in my power,  
as true persons.

Our journals (both  
the present & the new).

times have been  
extremely anxious to  
get Johnson removed to be  
sent to hospital again  
for the Colonial Protection  
& Medical Department -  
and three times a Bill  
has passed the House  
of Lords which would

have probably been enter  
factory in this respect.

But these times, though  
entirely independent causes,  
the Bill has not passed  
the House of Commons.

However, we shall succeed.

And you may be sure of  
any thing but done on my
