My Dear Sir

I am in receipt  
of your favor of 31<sup>st</sup> ult. but  
as I would not feel at liberty  
to act in the matter to which  
you refer unless in the interest  
of the parties for whom we  
have been acting as Agents  
here I can do nothing until  
you inform me if it is on  
their behalf you wish to  
negotiate.

Very truly Yours

of the matter for which you  
have been acting as agent  
there has been no furthering  
your reform one if it is  
their behalf your best to  
negotiate.

Very truly yours
