My dear Mr Principal,

I want to thank you very much for the paper on "Science et Religion" - It was only yesterday that I got time to read and enjoy it -

The benefit it has been to me induced me to mail it today on loan to a young man - a retired Merchant of this city who is decidedly sceptical - By God's blessing I trust it will also benefit him -

Shortly I shall send you a ticket with announcement of our course of lectures - your own on 2<sup>nd</sup> Feb - being the first

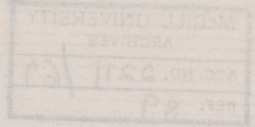

Sincerely & gratefully  
yours
