Dear Dr. Dawson

W. Redpath tells me that  
some American gentlemen are  
making enquiries about the Picton  
Iron properties and as I am  
still in communication with the  
gentleman I asked you all to meet  
I shall feel obliged if you will give  
me all information you can upon  
the subject - W. Redpath has  
given me his decision in writing  
which I can show you at any time.

and if the other associates can  
be induced to do the same thing  
I feel sure a sale can be effected.

I am very truly  
Yours
