CORNER OF

ST. FRANCOIS XAVIER & HOSPITAL STREETS,

MONTREAL, 14 Jan'y 1880

Dear Dr. Dawson.

Pardon me for not
having answered your
note of the 29th Dec^r.

I took my son away
for his Christmas holidays
to New York, and we had
not returned when your
note was delivered at my
house - he has since
returned to Trinity College
School.

I had heard that Mrs
Davidson had taken the
key to see you last
autumn. In fact
Mrs D said that she
had made arrangements

for his entrance to the
College next summer.

If such arrangements
were made. they were
entered into entirely without
my knowledge and consent.

The boy's future has
caused ^{me} much anxious
thought, and I have
as yet come to no con-
-clusion in the matter.

There are questions
outside the merits of the
different colleges available,
which must be duly
weighed by me before
deciding.

truly yours
Mrs Davidson.
