My dear Sir,

I have sent a few  
copies of my Memoirs of my  
brother Philip, to Mrs. P. P. Carpenter,  
to give to his special friends;  
but I told her that I  
wished the privilege of sending  
a copy to you in my own  
name, as a very slight  
recognition of your valuable con.

tribution to its page.

We all feel that your  
friendship made a most  
important addition to my  
brother's happiness and useful-  
ness, and are thankful  
that he and his wife had  
such friends as you & yours.

My nephew, W. Lamb, reported  
his interesting visit - and a  
few days ago, we saw Mr.  
James Clark, who had been  
delighted to renew an  
acquaintance which he had

first formed at Steel.

The part of my  
Memoir relating to my brother's  
residence at Martineau, you  
have already seen. You may  
perhaps note that I have  
availed myself of your kind  
suggestions.

It is a great relief to  
me to learn, that the  
work on the Chitonidae is  
now in a fair way to  
be completed, and published.

Believe me, with kind

respects,  
yours faithfully  
Rufus L. Carpenter.
