To Principal Dawson  
Dear Sir,

We send by to days mail  
the last proofs of Fossil Men.  
If you have any preface, will  
you kindly send it at once.  
Should we receive one, perhaps  
it may be as well that we should  
pass it for press without sending  
you proof, to save time.

It is usual with us now to  
omit the repetition of the general  
title at the head of the first chapter.  
This will explain our action in the  
present instance

With kind regards  
We are Dear Sir  
Your very truly
