John Dawson Esq

Dear Sir, Your postal note was received - I have seen Canon Baldwin and he has consented to speak at our Anniversary - he says Mr. Rainford will speak at least twice on Sunday & will address Anniversary Meeting on both Monday & Wednesday evening. I think we had better not ask him for our meeting. I concur with him & the more readily that I very much doubt if Mr. Rainford is sufficiently informed of our work & needs.

I have seen W. Mattewson
but find him absolutely imprac-
ticable - he insists on reading his
report after our services are
through. & on having a resolution
for his Society - to be spoken to -
He heartily endorses Rev. M.
Spaulding (Methodist) as a speaker
for us & others of his denomination
do the same. I feel much
inclined to ask him to second
our Resolution - if I could only
induce Mattewson to consent
to one resolution - these three
speakers - Wells (unver) Spaulding (Methodist)
Baldwin & support would enable
an excellent & popular programme.

Yours hastily
Ann Hastings
