

Knowlton, 23 Jan.
80.

My dear Principal,

I feel so apt
to drop you a line again; though
you from sure you will get it in
time for our meeting. I am better
than I was on Wednesday when
I was last writing to you. But I
had a hardish time in getting over
my Court duty the day after; &
I only got home in the afternoon
— yesterday. To-day, almost to my
surprise, I find myself again
rather better. But with the wea-
ther & roads as they are, I dare
not carry out my wish to go
in to-morrow. I do however, quite
hope to get in on Friday night
& to be in town till — say Friday.
And while in I will give all the
time I probably can to collect mat-
ters. Till after the 5th, I shall then
be very busy here. As far as I can
work on our joint matters, I will
do all I can. In haste,
Yours most truly
C. W.
