My dear Sir,

I would much prefer
you a small collection
of Devonian Plants,
and a few Califerous
and Potsdam fossils, and
would be glad to have
Upper Silurian things
in exchange. Fossils
of the Quebec group are
numerous rather scarce
here at present and

I think few can
be obtained except
perhaps a very few
pupates. There
also a few Acadian
group prints which
might be useful.
Just at present I
have scarcely time
to attend to any
exchanges, but

a little later may
put up a box for
you, if the things
I have mentioned
will be of service.

I scarcely know
to whom I would
direct you for funds
of the Quebec Fund,
but if I can hear
of any will inform
you. Sincerely yours
W. Dawson
