

HERBARIUM OF HARVARD UNIVERSITY,
BOTANIC GARDEN, CAMBRIDGE, MASS.

March 4

1880.

My dear Dr Dawson

It is very kind of
you to ask me to your
gathering, and I should
be glad to come to your
festive gathering. But I
too am getting old, and I
do not like winter travel.
So accept, instead, my
very best wishes.

Mrs. Gray desires especially
to send hers, and kind
remembrances to Miss Eva
also, and to ask if you
will not make us another
pleasant visit. It would
please us much.
Cordially yours Arabella Gray
