

Montreal 17th Nov^r
1850

My dear Dr. Dawson,

I thank you very
sincerely for your note
and the Books. That
of Dr. Goupier has
particular claims on my
attention. now that
my own Elliott is in
that region - they
will also serve as
pleasant souvenirs of
a friendship that
trust will be renewed
after the next Three
Days - Yours sincerely

M. L. L.

Dr. Dawson -
