QUEBEC. 27th 1880

My Dear Sir

In writing to you
this morn^g. I omitted through
inadvertence to mention
one particular — Referring to the
festival to be held at McJill
next week would it be too
late for me to solicit
an invitation for Mr. Geo-
Stewart Jun^r, now a resident
of this City & connected with
the Morning Chronicle news-
papers. He is the author of
the "Dufferin Administration"
& is very well known among
our Canadian Literary men.
You may recollect that he
had printed in full (in the Dufferin
book)

[Faint, illegible handwriting, likely bleed-through from the reverse side of the page.]

My dear Sir,
I have had the pleasure of receiving your letter of the 10th inst. in regard to the proposed extension of the term of the Board of Trustees of the University of Wisconsin. I have given the matter very careful consideration and I am glad to say that I am in favor of the extension of the term of the Board of Trustees to the year 1870. I believe that this course is the best for the interests of the University and the State. I am, Sir, very respectfully,
Your obedient servant,
J. W. Aldrich

the address of the University read by
Chancellor Jay (in Greek) It
replied to by the Earl, also
in Greek - given in Greek in
his book -

I feel that in making such
a suggestion I may be
trespassing more than I ought,
but Mr. Stewart is a
good friend of University
Education & often has op-
portunities advocating its
cause advantageously -

His address is Geo. Stewart
Jan^r. Quebec

Yours truly
H. A. Miles
