My Dear Dr. Dawson

I have three lectures due on Friday next, two of them Honors. So I must arrange for them on some previous day; and add them on to its ordinary tale of bricks.

I purpose taking the night train on Thursday, so as to be with you on Friday morning. I must take the night train on Saturday for home; as I am due at College on Monday morning.

I am exceedingly glad to hear  
of the hearty response of your  
Graduates; and I am  
sure to enjoy so genial  
and pleasant an Academic  
gathering in honour of  
one so well deserving  
this recognition of the  
self-denying labours of a  
score of years.

As to the speechifying  
which you hint at, I  
fear I shall come to  
you with adoled brains  
for I have been passing

at College & other work  
till I am growing  
woefully stupid. But  
I shall be submissive  
to your orders; unless  
my kind friend Mrs  
Dawson interposes on  
my behalf, & forbid  
cruelty to animals.

I have been reading exam-  
-ination papers most of  
the day, & ~~so~~ pardon a  
hasty line.

Yours faithfully

~~Dan. Wilson~~

your letter of the 14th inst.  
in relation to the  
proposed alterations to  
the bye-laws of the

pleased to receive your  
views on the subject and  
I have no objection to  
the proposed alterations  
being made. I have  
been very glad to hear  
of the success of your  
efforts and I trust that  
the Society will be  
benefited by the  
alterations. I am,  
Dear Sir, very  
truly yours,  
Wm. W. W.
