My dear Dr Dawson

I have just received

Your letter - It will not be quite
safe to rely upon me for speaking
- If I am well enough to be
present and to say anything
it will be very brief - The
subject of benefactors and
benefactors I have worn ^{so}
threadbare that I could, even
if in health do more than
heat it in very general terms
- a further ^{hard} should undertake to
acknowledge the toast if details
are to be given - I shall be in
Town, D. V. on Tuesday and will see you
Yours sincerely Chs. D. Day
