Dear Sir

Received yours  
this morning and will  
reply to it - say that  
I have heard of nothing  
whatever concerning the  
envelope & its contents -  
I feel very sorry for its  
loss - but it may come  
up again. I hope it  
will be found out  
ere long. The box of  
specimens contains  
chiefly if not all speci-  
mens from New York  
for the Museum if you  
wish & I will get for you. An  
- H. M. A. M.
