

GOVERNMENT HOUSE,  
OTTAWA.

5 May. 1880

Dear Principal Dawson

The arrival of your  
"Fossil men" and of the  
article on Haeckel has given  
me great pleasure, & I beg  
to thank you for sending me  
these interesting additions to  
the works with which you  
have enriched us.

I am curious to hear  
more of the evidence which  
leads you to put the  
Mic-Mac and Malicites  
of the Maritime provinces  
~~in~~ in an emigration  
current coming from the  
South in the map on

The American papers  
had some time ago a  
wonderful account of  
copper armor found  
somewhere in Ohio, but

I suppose that broken  
plates were deciphered &  
the name of armor.

Believe me  
with many thanks  
Yours sincerely  
J. L. Jones
