Toronto,

My dear Principal Dawson,

I have to thank you for  
a very welcome addition to my  
library, and for a proof, not less  
welcome, of your kind regard.

I wish I had as good a  
piece of work to send you in return.  
The little life of Cooper which I do  
send has only the merit of being  
the shortest of Macmillan's Series.

Yours most truly  
Walter Smith.
