PHILADELPHIA.

May 18, 1880.

Dear Sir =

In connection with the first lesson of the third quarter of 1880, in the International series of Sunday-school lessons, which then takes up the Book of Genesis, we intend to publish articles by a few eminent specialists on themes connected with

the general subject. Will  
you not write for us  
an article of say 1500 -  
2000 words (or more or  
less) on some such sub-  
ject as "The Relations be-  
tween Genesis and Science."<sup>or?</sup>  
Such an article would  
be of great value to our  
45000 subscribers in  
all evangelical church-  
es. I venture to enclose

an honorarium of \$25  
therefor. We need to re-  
ceive it by Saturday,  
June 5.

Yours very truly,  
C. F. Richardson,  
Office Editor.

Principal  
J. W. Dawson.
