My dear Dr Dawson

Many thanks for the book
which I shall read with much
pleasure as soon as I have
finished Dawkins new book which
is also recently received. The two
will come in well together.

I hope you will not fail
to be on at the Assoc. meeting
I have mentioned the proposed invitation
from Montreal to several of the
officers & I can assure you that
the proposition was well received.

Yours in haste
but very truly
J. W. M. [Signature]
