

Tuesday Morning  
Principal Dawson

My Dear Sir

I have no doubt the position taken by you in regard to taking the duty of ordianary Church services is the correct one - and I would not urge you to change it. I thank you for your kindly offer in regard to my Public Class. It is growing in interest and numbers. I had 46 present last Sabbath. To-night I leave for Quebec to attend an annual meeting of Synod - If you could come down to the Prayer meeting on Wed. Ev. and render

them such assistance as you  
maybe disposed to give, I wd.  
be very glad -

Next Sabbath our S. S. Suptd -  
expects to be absent from the  
School, and it would be  
quite a relief if you could  
take my class and leave me  
free for the Superintendent's place.

It would do us all  
good to have you amongst  
us for an afternoon.

I would like you very much  
to see and note the progress  
our school has made during

the past year - And say a few  
words to the children at the  
close -

I hope to return on Friday  
And would be glad to hear from  
you then if it would be con-  
venient for you to be present  
with us and do just so  
much duty as you can  
to engage in -

Yours very truly  
James McComb
