

Pictou 3^d July 1850

My Dear Dr Dawson

I am sorry I could not write you definitely about Rudolf's movements sooner. He left here yesterday for Lunenburg and asked me to say to you that his present intention is to sail from Quebec for home by the steamer of 14th Inst: (the Sardinian I think) He will try to arrange so that he will be in Montreal during the week ending 14th Inst: as he would be glad to meet you before leaving. He would like to have seen Mr Dawson also & the others at Metis but he is unable to arrange for that as some business matters at Quebec require attention before
