Dear Sir,

When will you be in Montreal after the 9<sup>th</sup> August? I want to solicit your interest in a course of Scientific lectures to be delivered in Hamilton in favour of the Scientific Department of the Collegiate Institute of that place. I have many strong reasons to present you in favour of this liberality on your part. There are also some things I want to see in your Museum - Some

Thanking you for the kindness  
you have abundantly shown  
me in the past and hoping  
soon to see you among your  
glories  
Yours most respectfully  
R. B. Hare.
