My dear D^r. Dawson

I am in receipt of a Post Card from W. Weir informing me that the quarterly meeting of our Committee has been postponed until the 6th October next. I regret exceedingly this long delay as I know it will deprive us of the presence of many valuable members.

I saw Judge Dunkin the other day who informed me that it would be impossible for him to attend at that time. Would it not be possible to have the meeting, say the 31st August or the 1st September? In that case I think most of the members would be able to attend. Should this suggestion meet your approval you might confer with W. Weir and act upon it.
