Dear Dr. Dawson

I send you herewith
proofs of your article upon
the antiquity of man, which
please correct and return
in season for our November
issue.

I also take the liberty
of enclosing some slips upon
a similar theme, which I have

received from the author
which I should like you
to return at your convenience

The September issue is
now in press, and I trust
that you will find some of
its articles of value

I remain

With great respect

Jones W. Libbey
