My dear Sir,

Your Postal Card in regard to next meeting of the Protestant Committee reached Capa R'aille after I left, and some time was lost in forwarding it to me here, so that I did not get it till after the time at which you said a telegram would reach you in Montreal viz 24th or forenoon of 25th August. I have lately seen Mr Lynch, and he thinks that it is now unavoidable

that the next meeting of the
Committee be held as intimated
on the 6th October, but he
suggests that in future the quar-
terly meetings should always be
held on the days agreed on &
that if necessary they could be
adjourned to any other day.

Trust your trip
to the States will be both plea-
sant and profitable and
that you will return invigorat-
ed to your arduous duties
in McGill University.

Yours very sincerely
George Weir
