

Knowlton, 19 Sept

Your of Friday sent to A. University  
has reached me here last night. Am  
again sorry to find must delay that.  
But have at last arranged for to-morrow  
afternoon's train. Confirmed to meet; but  
had concluded that the morning train  
would not do. Saw Lynch to-day. Had  
him of your wish as to lunch on Tues-  
day; which he counts on meeting;  
as also do I. Will see you the very first  
thing after breakfast on Tuesday.
