My Dear Dr. Dawson

My efforts about the  
Jail have resulted in the enclosed  
letter. wh. please regard as strictly  
private except in the parts left  
unmarked. I have sent You  
the whole letter rather than in  
extracts that You might under-  
stand the state of the question.  
but there are certain parts marked  
wh. must not go beyond Yourself

Yours

H. B. Montreal

Please return W. B.'s letter
