My dear Principal,

Writing you on Friday, I forgot how very near you start for Quebec was. And I have been interrupted & hindered since, besides, it gains so slowly & fitfully that I have had very little time I could give to thought about College matters.

All I can do by this mail is to say that I will do my best in the way of College-correspondence with you, before the Saturday meeting; mailing you what I can in time. I am very sorry indeed to feel myself of so little use. But I assure you I cannot help it. Mrs. Dupkin joins me in best remembrances to all your household.

By the way, the bulk of my projected talk with Lynch holds over still! The weather has been dreadful, & he is not over-well. He sent me word to-day that he thought he should stay here for the day ^{perhaps} to-morrow, & would try to see me either this afternoon or ^{perhaps} tomorrow forenoon.

Yours most faithfully,
J. H. C.
