So far as I remember  
the first impression of the  
app and by the way  
of the one of all our own  
blamed for myself.

I remember discussing  
the nature & value of the  
act for and for such  
advice as I could best that

my operations and when  
I was especially had access  
in connection with the  
fact that

In answer to yours of Nov 1  
I beg to say that I am not  
aware that I have done  
or have any reason to claim  
any share in the copy  
of a MS. I have not visited  
the Island and therefore  
have no right to be considered  
an author in its history. If  
we had any recollections  
of the success which  
my copy has experienced I  
do not remember of the  
date at that time the  
my copy was I had no  
doubt of Prof. Fisher's  
Report of 1843 and from  
a small collection of the  
works of the Island which  
he was kind enough  
to send to me I could
