My Dear
Uncle James
Dec 11 - 1880

Dear Mr. Barton

I left Worcester on
Sunday last - & did not
write to you, as I saw
by the papers you were
at Goshen - it was very
difficult to get a final settle-
ment of my affairs before
leaving, but I still
think it was better
I should go to Kingston
& see my son & judge
for myself if any.

visit - then will be a
Cause of great trouble
for they imagine I feel
nervous unhappy &
wretched at the loss of
things but - I feel the
good in his money will
help me to fight - my
better braves, I am
convinced that I shall
win differently than
I do about - the final
settlement of my law
affairs but - at - I
intend coming to
Tombstone when my
son visits -

that City - & when I hope my sad troubles
may be closed up - for it is killing
me morally & physically - you will be
glad to hear that the A is to give me
letters & Sir W. Campbell has given
5 letters to friends at - Kingston one of
which to Col. Hewitt, I showed him
the other hand given me, I received
Saturday a most kind letter from W.
Crayon (Master of the Bank Western) he
begs like formerly my affairs to be
privately closed up & at once, but
Lawyers are obstinate, & there to call
the Mr. J. Miller sees his way. Several
friends here called on me here, & altho
I think Carl - right - at - judge. For these
I feel so unhappy & shall be glad when
matters are ~~strengthened~~ at - Kingston I leave
to mourn for that City - my kind re-
membrances to Mrs. Lawton & thank
you for your patience in listening to my
sad troubles I remain
Yours truly
Isaac Comstock
