My Dear Sir,

I am at work on another Earthquake Report for the past year. Can you without trespassing too much on your time, give me any items about the shock at St. Pauls Bay Nov. 28, 1880:

This is the only one, of which I have heard since last report in your part of the country, unless some of them

felt in New Hampshire should
have gone over the boundary.

Yours with regard

C. J. Rockwood
