

Silliman
New Haven - 22 - 81

My dear doctor Danson

Will you kindly give to
the enclosed letter for Mrs Davis
the proper address as I do not
feel certain when she may now
be after the death of her most
Excellent brother the Judge. She
had the kindness to send me the
Newspaper containing notice of her
death and funeral

How well I remember him as a
young man in New Haven and
later in Canada when regarded in
the work of his life, would we
had more such men!

With kind regards from
Excellent Lady and all yours

Family believe me my dear Mr

Dawson

Very faithfully

Yours

William
