

Ward's Natural Science Establishment,

No. 2 College Avenue, (opposite University.)

Rochester, N. Y. Jan. 22 1881.

Dr. J. W. Dawson,

Dear Sir,

It is now quite settled  
that I leave here on Thursday next (29th)  
for San Francisco and Australia,

When you were here you were so kind as  
to say that you might give me a letter of  
introduction to some a friend of yours in  
that (letter) country. If you can still do this  
and can conveniently send it to me here  
before I start I shall be greatly obliged to  
you.

Thanking you in advance for  
the favor I remain, Sir,

Respectfully yours  
Henry A. Ward.

Dear Sir,

It is my great pleasure  
to hear that you were here for  
the purpose of giving me a letter  
of introduction to some friend  
of yours in the (other) country.  
and can conveniently send it to me  
for you. I shall be greatly obliged  
to you. Thanking you in advance for  
the favor I remain, Sir,

Respectfully yours  
Henry A. Ward
