

1058 Duane Street
Jan. 24th 1881.

My dear Dr Dawson,

I see no present
need of a meeting.

I saw Dr Rubin on
Saturday & he thinks
he can manage to
fill Mr. Fluhmann's
place without going
outside our own teacher.
He is to let me know
the result of his efforts.

Meanwhile I write
to Miss Flühmann
in our joint names,
expressing our sympathy
& sorrowing her de-
parture.

Yrs very truly
