Prof. J. W. Dawson

Dear Sir

I am arranging a series of fossils here in the Museum to illustrate Dana's Manual of Geology, and wish to obtain for that purpose specimens to represent the figures on page 258 of that vol. of Psilophyton principis and Protaxites Loganii; Can you inform me from whom I might be able to obtain them either by purchase or otherwise.

An answer at your earliest convenience will greatly oblige
Yours truly

Prof. J. W. Davenport

Dear Sir,
I am enclosing
a box of fossils from the
Museum of Comparative Zoology
I have just received and wish
to return for that purpose
to represent the figures on pag 28
of the report of the
and the plates of figures; I
inform me from where I might
be able to obtain the
figures or otherwise.
I am
Yours truly
