

Shepworth 3<sup>rd</sup> February 1881

My dear Dr Dawson...

If I can manage it I should like to have a meeting of the Sub. Committee before our Quarterly Meeting at Quebec. The time would be too short in the morning before the Meeting - and it seems to me we ought to understand one another before we tackle such a grave question as the Education of Girls - I shall

Henke

I shall be too much  
engaged next week to go into  
London but may possibly  
arrange for the week after

Yours very truly
