

GEOLOGICAL SOCIETY,

BURLINGTON HOUSE, W.

26 Feb. 1881

Dear Sir,

There has been some delay
in the forwarding of your Medal
for which I beg to apologise.

I could not identify the Company
through which you wished the
Medal to be forwarded with any-
thing we have here, I have there-
fore sent it by the Globe Foreign
Express, which has taken things
of like character for us before,
and enclose you their receipt
for the same. You will have

to be at the trouble of calling
on their agents for the Medal
as they do not deliver, and
the receipt will have to be pre-
sented. The Society bears all
charges respecting the carriage
of the Medals.

I am, dear Sir,

Yours faithfully
W. W. Weighton
Cant. G.S.
