Prof. J. W. Dawson, LL.D.

Dear Sir:

Your favor was read
at the weekly meeting of the Theological
Faculty on Wednesday last, & they
direct me to say that as our term
closes too early to permit us to hear
you in May, they will be very glad
to be allowed to hope for a course of
four lectures in October next, soon after
the opening of the term. The fund at our
disposal, at the time, for such service
will be \$300.

Trusting that your engagements will
allow you to do us this favor, & requesting
an early reply. I remain,

Very respectfully Yours,
Geo. E. Day,
Secy.
